

Dated 20th June, 2020

Third Party Transparency Audit of RTI mandatory disclosure.

We have the honour to submit to you our report relating to the audit of online disclosures by Public Authorities (ICAR-DRMR, Bharatpur) through their websites. We sincerely thank you for this opportunity given to us to advise on and supervise the exercise of website audits in the light of section 4 of the RTI Act. This has been a highly rewarding experience for us and equally creative. The disclosures made on website found in order in light of RTI Act section 4.
